

# IPR'S GUIDING PRINCIPLES

## **Commitment to Public Good**

We are dedicated to delivering impactful and responsive solutions that meet the needs of our clients and advance their missions in service of our country.

## **Forward Thinking Leaders**

We are innovative leaders that bring creative approaches to problem-solving and anticipate emerging and complex challenges.

## **Rigorous Data-driven Analysis**

We maintain a reputation of excellence for analytical capabilities and innovative methodologies, coupled with a strategic understanding of our clients that is grounded in operational realities.

## **Anchored in Objectivity**

We provide perspectives and recommendations founded on objectivity and integrity, allowing us to serve as unbiased, trusted advisors to our clients.

## **Culture that Empowers People**

We foster a culture of inclusion, cooperation, and mutual support that encourages diverse thinking and teamwork.
